## **Wincanton Town Football Club - Recent Club History**

Wincanton Town Football Club was founded in 1890 and played most of its football in the Yeovil and District Football League at Dancing Lane on West Hill. In the early to mid-1990's the West Hill ground was sold to fund Wincanton's new Sports ground development on Moor Lane to the south-west of the town. The club continues to play here still today.

During the club's recent history, Wincanton progressed significantly in the late 1980's winning the Yeovil and District League Division 2 in 1988/89, winning Division 1 the following season before completing a notable hat-trick in 1990/91 by becoming Yeovil and District Premier Division Champions. Wincanton remained within the Yeovil league set up for the next few years and in 2002/03 with Mike Hatcher as the first team manager the side finished as runners up in the Premier Division.

The club applied for promotion into the Somerset County League to which they were accepted. The club adapted well to the new 'Senior' level of football and won promotion as runners up in Division 3 at the first time of asking. Following two seasons of mid table finishes in Somerset Division 2, the club made the decision to move over the border to play in the Dorset County League and were allocated a space in the Dorset Senior League for season 2006/07.

The side managed by Wayne Jerome stormed to the league title winning a 20-game league season by a 10-point margin and as a result were promoted into the Dorset Premier League.

## Wincanton Town

The club finished in a respectable 5th position in its first season in the DPL, and then followed this up with three mid table finishes of 8th, 9th and 7th. Paul Down was appointed as first team manager in the summer of 2010, and in his second season (2011/12) the club finished in 4th position losing just 3 league matches all season.

The following season (2012/13) saw the club do even better, finishing as runners up to Portland United. This allowed the club to apply for promotion to the Toolstation Western League. Wincanton also won the Somerset Senior Cup beating Brislington Reserves 1-0, in the final that was played at Street F.C. To complete a memorable season, a few weeks later Wincanton received confirmation they had been accepted into the Western League for the following season.

A busy summer ensued as big changes at the club had to be made both on and off the pitch. The committee worked hard ensuring floodlights, hard standing and fencing was all installed on time to achieve the league's ground grading rules.

Gary Johnson, then manager of Yeovil Town officially switched on the club's new floodlights in October 2013, ahead of a friendly match where most of his then Championship squad took part.

Yeovil won easily but a crowd of over 450 enjoyed the evening. The team finished its first season in the Western League in a creditable fourth scoring 116 goals along the way.

## Wincanton Town

Season 2014/15 saw the club enter the F.A. Vase for the first time, however Wessex League Bemerton Heath Harlequins proved too strong. The team repeated their 4th position finish in the league and were one of only two sides to defeat champions Barnstaple Town. A run to the quarter finals of the Les Phillips Cup was ended by the eventual Cup winners Willand Rovers.

At the end of the season manager Paul Down announced he would be standing down after five successful seasons in charge. Season 2015/16 saw Chris Wise and Andy Mitchell take charge of the club as joint managers.

A tough first half to the season with a completely new look team saw the side struggle, however the New Year saw the side enjoy better fortunes and a strong second half to the campaign saw the Wasps climb well clear of relegation. The Club also entered the F.A. Cup for the first time and Wincanton beat Wessex League Premier division side (1 step higher) Whitchurch United 3-1 in a replay at Moor Lane.

That victory earned the club an away tie at Southern league side Winchester City, a tie we would eventually lose 5-1 but a good experience for all concerned. Chris took sole control as manager in 2017/18, with Andy Mitchell and Gary Chapman his playing assistants.

## Wincanton Town

Three seasons of mid table finishes then followed - 13<sup>th</sup>, 14<sup>th</sup> and 10<sup>th</sup>, and when the covid pandemic curtailed the 2019/20 season Town were sat in 8<sup>th</sup>. Season 2021/22 saw Wincanton make a sluggish start with just 11 points from the opening 11 games. The team then did not lose another match in the regular league season as they embarked on a 29-game undefeated run winning 24 of these games and drawing just 5. The side scored 126 league goals and achieved the club's highest ever league position of 3<sup>rd</sup>. This allowed the club to join the inaugural end of season promotion play offs, but it was one game too far as we lost 2-0 at Welton Rovers.

Season 2022/23 saw Wincanton reach the first qualifying round of the FA Cup for the first time in their history. Wins against higher ranked opposition - 6-2 at Tadley Calleva and 3-0 in a replay against Camberley Town. This set up a tie against ambitious Southern League side AFC Totton who as expected were too good for us, but it was a good experience. Wincanton again qualified for the end of season play offs but lost 10-9 on penalties against Oldland Abbotonians. The season also saw the start of the Ladies section of the club with the side competing in Somerset League Division 2.

# We welcome today's visitors Wincanton Town

Season 2023/24 once more saw Wincanton reach the end of season play offs with a fourth-place finish. A dramatic semi-final with Wells City saw Town 3-1 down inside just 15 minutes, but they battled back to win an outstanding game 6-4. This set up a final at home to Brislington. A record crowd at Moor Lane for a competitive fixture saw Town storm into a 2-0 lead, but there was more play off heartbreak as Brislington battled back in the second half, winning the game 3-2 and promotion with a 90th minute goal.

Two weeks later though the club received the surprise news from the F.A. that following their annual pyramid re-structuring process we were to be promoted to step five but also moved laterally into the Velocity Wessex League. We enjoyed our 11 years in the Western League, but very much look forward to visiting new places in the Wessex League and the challenge of step 5 football.

## Match Report by John Hutchings

### 12.7.26. Hamworthy Rec 3 Hythe & Dibden 1

In their last two games Rec have been unluckily beaten, conceding late goals after being in front, on both occasions. This time it was role reversal, as Rec trailed, then took the lead and scored their own, late goal, to confirm a deserved win. On a very wet and windy night at the Meyson Properties Stadium this was never going to be one for the purists, but both sides put on a good show, in a close encounter throughout.

Rec played some good football at times and held the edge for most of the game, but were wasteful in front of goal. Hythe always looked capable of pinching a point, but Rec's goal two minutes from time earned them a much needed win.

Recent signing, Jimmy Fry, was at the heart of Rec's attacks, producing some dangerous crosses into the box, but all being wasted, as Rec took the early initiative.

But on 25m and against the run of play Hythe went one up. Skipper SAM BOON won the ball in midfield, strode forward, shrugging off tackles and smashed a beauty past Rec stopper, Shane Murphy, for 0-1. It should have been two, but Borges missed a great chance from close-range.

Rec were undeterred and deservedly equalised on 29m. Fry, again, was instrumental in the move, with the ball falling for young striker, MARTIN VIDENOV to try his luck - his shot taking a deflection and beating Parnum, in the Hythe goal - 1-1.

## Match Report by John Hutchings

Rec pressure created more chances, but Videnov just failed to reach Fry's low cross and Chris Long blasted over from Eddie Hodge's through ball. But four minutes from the break they took a deserved lead. Videnov produced a delightful flick to tee up LONG and this time the ace, Rec marksman made no mistake, driving low, past Parnum. HT 2-1.

The second half started in similar fashion, with Fry's cross headed over by Long and his free-kick cleared off the line. He was then denied his first Rec goal, when Parnum tipped his shot round the post, with Lewis McMurdo heading the resulting corner just over.

As the weather worsened Hythe pressed forward in search of an equaliser and there were plenty of Rec nerves, but on 88m they were eased. Sub, Ash Pope, did well to create for LONG to fire low, across Parnum, from the edge of the area, for his 16th goal of the season, to secure the win.

FT 3-1.

A gutsy, all-round team performance, with midfield dynamo Aaron Roberts impressive throughout.

The Wessex Football League Show is the official podcast of the Velocity Wessex Football League. We are on air live from Awaaz 99.8FM studios & simultaneously on Fiesta 95FM based in Southampton from 14:00 to 16:00 every Sunday and you can also listen live on [www.awaazfm.co.uk](http://www.awaazfm.co.uk) from anywhere in the world.

Our aim is to promote all local football but specifically the 40 teams of the Wessex Football League. So far, we have had managers, chairpersons, players, press officers and secretaries joining us as studio guests, and via zoom and phone guests from many Wessex Football League clubs, as well as guests from local teams both higher up and lower down the pyramid.

This is your show and is a platform for your club to promote its events and raise its profile. If your club produces post-match interviews, please either email us a copy of the audio or give permission for us to play them on air straight from your website or social media sites, as we will aim to play them on the show.

Please come and join us one Sunday, we do have access to the two studios so it is easy to accommodate guests in the studio, for more information please email [gregdickson94@gmail.com](mailto:gregdickson94@gmail.com) or [cliffpledge@hotmail.com](mailto:cliffpledge@hotmail.com)
