Established is 2001, Connect It Utility Services (CIUS) specialise in providing comprehensive multi-utility solutions designed for all aspects of infrastructure network developments. With over 24 years of industry experience, we have established ourselves as a trusted partner to many of the UK's leading housing developers and distribution networks.

We deliver a wide variety of small to large infrastructure contracts, new developments (residential and commercial), electrical network frameworks, electrical vehicle charging hubs and turnkey solutions for streetlighting works.

With a team of highly qualified, MURS-accredited engineers, we offer a one stop solution to all of your utility needs. By integrating all utility services into a single project phase, we eliminate the need for multiple contractors and reduce both time and cost, helping you stay on schedule.

## **COUNTY CORNER**

## FOR 16/17-YEAR-OLDS

Who play open aged Football (Adult) - "KNOW YOUR RIGHTS"

## IMPORTANT INFORMATION FOR SEASON 2024 - 2025

- All clubs with open age teams will be required to have a named Club Welfare Officer at the point of affiliation from 2023 – 2024 season onwards.
- All open age teams with 16/17-year-old players must ensure that the team coaches must have an in-date FA DBS in place.
- It is the responsibility of clubs to ensure that they are aware of any 16/17-year-olds playing, and to adhere to the FA DBS requirements.

## IFAB - Laws Of The Game Update 25/26

## **CAPTAINS ONLY PROTOCOL**

## LAWS OF THE GAME OVERVIEW

### CAPTAINS ONLY PROTOCOL

#### Law 3 - Law 5

- Only designated captains (wearing an armband or identified at the coin toss) may approach the referee.
- Referees can activate the protocol by communicating with the plauers around them
  - Once the referees have communicated the captains only protocol is activated, Referees and Captains are expected to enforce
- . A 4m "no-go" zone is established around the referee.
  - Other players entering this zone in an aggressive manner or to cause interruption to the process: YC for dissent
  - Multiple players = at least 1 caution; incident must be reported
- Protocol aimed at reducing confrontation and improving respect.

#### **Purpose and Rationale**

The protocol is designed to **strengthen respect between players and referees** by formalising that only the team captain may approach the referee to discuss key decisions. The aim is to reduce incidents of mobbing, dissent, and intimidation of match officials — improving the environment for everyone involved in the game.

#### **Key Points**

- Normal, respectful interactions with referees are still permitted; however, dissent (by word or action) remains a yellow card offence — even for captains.
- Only the captain from each team is allowed to approach the referee on major decisions.
- Captains are responsible for ensuring teammates stay away from the referee during these moments
- Referees may delay the restart to allow captains to communicate messages back to their teams if necessary.

#### **Additional Details**

- If the goalkeeper is the team captain, an outfield player must be nominated to fulfil
  this role for referee interactions.
- A "captain-only zone" of 4 metres will be established around the referee; no other players are permitted within this area.
- Any non-captain entering this zone should be cautioned for dissent by action. If multiple players enter, at least one must be cautioned, and the incident will be reported to the relevant authorities.
- Competition organisers are encouraged to introduce sanctions for repeated breaches across the season.

#### National Implementation

This protocol will be implemented consistently across:

- All professional competitions
- The National League Pyramids
- County FA-administered football

Our approach is to create alignment and consistency from the top tiers to grassroots, improving behaviour towards match officials at every level.

#### **Education and Communication**

We are currently rolling out education for referees, County FAs, Referee Development Officers, and other stakeholders to ensure clear understanding and consistent application.

### Clarification for Youth, Veterans, Disability, and Grassroots Levels

Although IFAB have included an arm signal to initiate the protocol at these levels, in England we will not adopt this. Referees will manage the protocol themselves, using their existing match management skills.

If you have any questions or would like to discuss the details further, please don't hesitate to get in touch through refereedevelopment@thefa.com

# A Quick Chat with Charlie

Welcome to our second home game of the season at Meyson Properties stadium. This evening we welcome Poole Borough.

We have had a difficult couple of away games, leading away at Blandford to then lose 3-2. We then had a bad day at the office away to Bournemouth Sports, conceding five and scoring one on Saturday.

I know that we have a strong squad of young, talented players who play some attractive and progressive football, and today we also include a player from our under-17 team, Alfie Miller, a talented striker who I believe will be a great addition, as well as Samuel West, an exciting attacking centre midfielder who will be making his home league debut. Today's visitors will be looking to get three points and climb the league. A physical and determined side who usually travel with strong support, we welcome you all.

Enjoy this evening's game.

Thank you to our supporters, sponsors, groundsman, and the board for all your support.

Charlie Richards, Hamworthy Recreation Reserves Manager

# Match Report

5 - 1

The hosts took the lead in the 13th minute when a corner from Max Norris deceived everyone and ended up going straight in. Sports striker Dan Hayward thought he had increased his sides lead in the 32nd minute superbly heading home a cross, but the effort was ruled out for pushing. However, three minutes later a cross from full back Jake Perch found Hayward who played the ball off for fellow striker Sam Bennett to finish superbly just inside the box.

The visitors who opted for more of a passing game always looked lively with the likes of Elliott Birtwistle and Matt Kerse on the ball and almost pulled one back in the 42nd minute following a goal mouth scramble which included Sports keeper Jakub Lewiarz making a fine save and some fantastic last ditch defending by the backline to prevent a goal. Ollie Rodriguez would pull one back on the stroke of half time though with a shot just inside the near post. HT 2-1

Into the second half and as has been evident on numerous occasions this season the men from Chapel Gate scored twice from set plays to ultimately put the game to bed. In the 65th minute a long throw from Jake Perch was headed home by central defender Tommy White and three minutes later a Taylor Edwards corner was headed in by Dan Hayward.

The men from Chapel gate would add a 5th in the 78th minute when Hayward played a superb weighted pass to winger Taylor Webb to race onto a finish in style to take his goal tally to seven for the season. Late on Winger James Bergin almost added a 6th goal, but saw his effort hit the side netting.
