Our Visitors – Bemerton Heath Harlequins

Club History:

Bemerton Heath Harlequins were established in May 1989, following the merger of three well-respected local clubs: Bemerton Athletic, Moon F.C., and Bemerton Boys. Each club brought a strong footballing pedigree, their own unique identity, and a shared ambition to take their game to the next level.

Bemerton Athletic had a history of success, winning the Wiltshire League title three times. Moon F.C. was a dominant force in the Salisbury and Andover Leagues, regularly securing silverware and establishing itself as a highly competitive side. Meanwhile, Bemerton Boys had built a reputation in youth football, winning multiple trophies in the Mid-Wilts League and nurturing local talent.

By late 1988, both Moon F.C. and Bemerton Athletic were looking for a new challenge and seeking ways to progress within the footballing pyramid. Discussions soon began regarding a potential merger, with the primary goal of gaining entry into the Wessex League. Given the close proximity of their grounds and the fact that many players had represented both clubs at various points in their careers, the idea of a merger seemed not only practical but beneficial to all involved.

With the inclusion of Bemerton Boys, the three clubs united to form Bemerton Heath Harlequins, creating a single, ambitious team. This was more than just a merger on paper—it was a true coming together of players, supporters, and community members to build something greater than the sum of its parts. Soon after the club's formation, a clubhouse was constructed, providing a vital hub for players, staff, and fans—a lasting testament to the collective spirit that built the club.

Our Visitors - Continued

Rise Through the Ranks

Since its formation, Bemerton Heath Harlequins have been a consistent presence in the Wessex League, earning a reputation as a well-organized, competitive team.

The 1992/93 season remains one of the most memorable in the club's history. That year, the team achieved a third-place finish in the league, lifted the Wiltshire Senior Cup, and completed a hat-trick of Hospital Cup Final victories. They also enjoyed notable runs in both the F.A. Cup and the F.A. Vase, further solidifying their status as a club on the rise.

In 1996/97, the club's 2nd XI added to the success by winning the Wessex Combination League and finishing as runners-up in the League Cup. The following season, the first team built on this momentum, finishing fifth in the Wessex League and reaching the Wessex League Cup final.

A significant milestone came in the 1998/99 season, when Bemerton advanced to the last 16 of the F.A. Vase for the first time in the club's history. Meanwhile, the Combination side finally lifted the Wessex Cup after three previous near-misses, reinforcing the club's growing strength and depth.

Challenges and Rebuilding

Like any football club, Bemerton Heath Harlequins have faced their share of challenges. Despite their successes, the club experienced its first-ever relegation in recent years, a setback that demanded a strong response.

The 2019/20 season was a turning point, with the appointment of Ian Saunders as manager. Saunders took on the challenge of rebuilding the squad in Division One, aiming to return the club to its previous heights. However, the COVID-19 pandemic soon disrupted football across the globe, bringing unforeseen difficulties.

Our Visitors - Continued

Despite these challenges, Bemerton remained focused on long-term growth. A key step was the revitalization of the Youth Section, ensuring that young local players would continue to have opportunities to develop their skills and progress into senior football. This move reinforced the club's commitment to sustainability and community engagement.

Back-to-Back Promotions and Southern League Success

In December 2020, Shaun Hale was appointed as First Team Manager, with Ian Saunders transitioning into a Director of Football role. Under Hale's leadership, Bemerton achieved a historic milestone, winning the Wessex Division 1 championship in 2021/22—the club's first-ever league title.

The momentum carried into the next season, with Bemerton finishing second in 2022/23, securing back-to-back promotions and earning a place in the Southern League for the first time in their history. These achievements marked a new era of success and ambition for the club.

A New Chapter: Leadership Changes in 2024/25

As the 2024/25 season approached, Bemerton Heath Harlequins underwent significant leadership changes. Shaun Hale stepped down as First Team Manager, and James Ellis was appointed as his successor. However, Ellis' tenure was short-lived, lasting just five weeks before his departure.

In response, the club turned to Danny Young, appointing him as Interim Manager. Young brought a wealth of Southern League experience, providing stability during a period of transition.

Our Visitors - Continued

Following a thorough recruitment process, James Milligan was appointed as the club's new First Team Manager in October. Milligan arrived with an impressive track record, having previously managed Cheddar, Wells, and Shaftesbury. His most notable success came at Shaftesbury, where he guided the club to promotion from the Wessex Premier League to the Southern League. Beyond promotion, Milligan transformed the team's fortunes, lifting them from the lower half of the table into playoff contention. However, after his success, he ultimately returned to his hometown club, Shaftesbury FC.

In January 2025, Bemerton made another key addition by bringing in Luke Platt, a manager they had long admired. A UEFA A Licence Manager and Coach, Platt's résumé was filled with experience at both non-league and professional levels. He had worked with Poole Town FC, Brockenhurst FC, and Shaftesbury FC, while also holding key coaching and recruitment roles at AFC Bournemouth, Southampton FC, Yeovil Town FC, and Rangers FC.

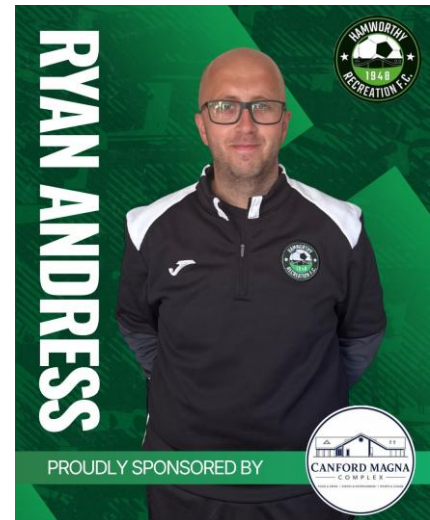

Platt's expertise in tactical strategy, player development, and club management added another dimension to Bemerton's leadership team, strengthening their ability to compete at a higher level.

MANAGEMENT NOTES

Wayne Smith & Ryan Andress

Good afternoon and welcome back to the Meyson Properties Stadium for today's Wessex Premier League fixture against Bemerton Heath Harlequins.

We extend a warm welcome to the players, management team, committee members and supporters of Bemerton Heath Harlequins Football Club. We hope everyone connected with the club enjoys their afternoon with us.

Our last home fixture saw us overcome Baffins Milton Rovers in the Wessex League Cup. We played some very good football on the night and were pleased to secure our place in the next round of a competition in which we want to progress as far as possible. Last Saturday, our attention turned to the FA Vase as we travelled to face Buckland Athletic of the Toolstation Western League.

Unfortunately, it proved to be a hugely disappointing day for our supporters, players, management team and everyone connected with the club as we suffered a 2–0 defeat and exited the competition.

The game remained goalless at half-time, but we conceded only a minute after the restart. The timing of that goal was a major setback, although we continued to create opportunities and gave ourselves chances to get back into the game.

Buckland's second goal arrived with three minutes remaining when their wide player produced an excellent strike on the break to secure the result.

There was a great deal of disappointment afterwards because we genuinely felt there was more in the game for us. We have since watched the match back, and on another afternoon we could easily have taken some of our chances and found ourselves in a very different contest.

MANAGEMENT NOTES continued

We have not experienced defeat very often this season, so naturally it hurt. It was made even more difficult because the FA Vase is a competition in which we had real ambitions of doing well and progressing. However, disappointment is part of football, and what matters now is how we respond.

The players have trained on both Tuesday and Thursday this week, and we have spoken openly as a group about the standards we expect. Everyone is determined to produce a positive reaction today.

This afternoon begins another demanding three-game week. We host Bemerton today before travelling to Andover New Street on Tuesday evening and then welcoming Horndean back here next Saturday.

We faced Bemerton away from home not too long ago and produced some excellent football in spells to secure a 4–2 victory. However, that previous result will count for nothing this afternoon. They are a strong and competitive side who will arrive determined to reverse that result.

Our league form has been good, but no points are simply given to you in the Wessex Premier League. Every point has to be earned through hard work, discipline and commitment. The players are ready to fight for all three today and show the reaction we have asked for.

On the playing front, we were delighted to give Ashley Wells his debut last Tuesday following his arrival from AFC Stoneham. Ash is a hugely experienced player who has won this league on more than one occasion with Shaftesbury and AFC Stoneham. He also won the FA Vase last season, and that experience will be invaluable within our young squad.

MANAGEMENT NOTES continued

This is a massive signing for the club, both because of the quality Ash brings on the pitch and the knowledge and winning mentality he can pass on to the players around him. We are delighted to welcome Ash and his whole family to Hamworthy Recreation and hope they enjoy many successful years with us.

On a sadder note, Tom Cooper has decided to leave the club in search of more regular playing time. Tom departs after five years with 183 games for Hamworthy Recreation from the Dorset Premier League and Wessex League. He has been a tremendous clubman throughout that time, always showing an excellent attitude and proving himself to be a great character within the dressing room.

Tom has played a major part in the club's progression and in helping us reach the level at which we now compete. His contribution should not be underestimated, and he will be greatly missed by the management team and his teammates alike. We completely respect what will have been a difficult decision for him.

We thank Tom for everything he has given to Hamworthy Recreation and wish him every success in the next chapter of his football career. He will always be warmly welcomed back here. Thank you, as always, for your continued support.

Please make our visitors from Bemerton Heath Harlequins feel welcome and get behind the players throughout the afternoon.

Enjoy the game.

Match Report by John Hutchings

10.10.26. FA Vase. Buckland Athletic 2 Hamworthy Rec 0

No FA Vase run for Rec this year, after this 1st round defeat at Buckland. The Devon based team have an impressive ground and set up and Rec knew this would be a difficult tie and that's how it turned out.

After an even first half, Rec conceded in the first minute of the re-start and after that, rarely looked like breaking down a strong, home defence, with chances few and far between. The "Bucks" added a second, late on, to compound the misery for Rec.

Buckland went close when Baxter created a chance for Swann, who fired wide from a good position. Rec replied with Henry Barham setting up Chris Long, whose low cross eluded everyone in green. But it was the hosts who went close again, when Pullman forced Rec keeper, Shane Murphy, into a great save.

Rec finished the first half strongly and Eddie Hodge's shot was parried by Searle, in the home goal, with Long's follow up wide, before Jake Dove's effort was tipped over, by the keeper. HT 0-0.

The vital opening goal came in the very first minute of the second half. The Rec defence were caught in possession and the ball was played to BAXTER, who thumped a low shot beyond Murphy, for 1-0.

Rec went close when Lewis McMurdo's goalbound header was cleared off the line and Barham's shot blocked by the home defence.

The feeling was that it was not going to be Rec's day, with another McMurdo header saved by Searle and Bailey Rowe and Long having half-chances and as Rec pushed forward, near the end, the hosts clinched the tie, on 87m, when McKAYLE won the ball on the halfway line, burst down the right and struck a beauty past Murphy and into the top corner.

FT 2-0.

Match Report by John Hutchings

6.10.26. League Cup. Hamworthy Rec 3 Baffins Milton Rovers 1

Rec are through to the next round of the League Cup, but this was far from easy. In fact, the scoreline, somewhat flattered Rec, as Baffins put them under pressure for large parts of the game. The teams shared two early goals, but then Baffins spurned good chances to punish Rec, before the break and it took an early second half goal from young Rec prospect, Taylor Broadley to turn the tide Rec's way, adding a third, late on.

Baffins showed their intent, early on, with Allen smacking his shot against the post, but on 11m they took the lead. CURT ROBBINS did well to get in a shot, from a tight angle, through a ruck of players, to put the Portsmouth based side one up.

But the lead only lasted for three minutes. Rec won a free-kick, 30yds out. Chris Long struck the kick, low to the keepers right, with the ball hitting the post and in the struggle to clear, a defender could only divert into his own net, to put Rec level.

The hosts went close again, when Eddie Hodge, playing his 100th game for the club, slipped in Broadley, whose shot was beaten away by Kramer, in the visiting goal. But it was Baffins who had chances, when Bell saw his clever turn and shot fly inches over the bar, before Wellham's lofted shot bounced off the bar and into the grateful arms of Rec stopper, Shane Murphy. HT 1-1.

Baffins started the second half as they ended the first, with a flowing move cleared for a corner and then Allen drawing a great save from Murphy. But on 55m and against the run of play, Rec took the lead. Following a clearance from a corner, TAYLOR BROADLEY collected the ball, cut in and fired a beauty, into the far corner.

This lifted Rec and Long's free-kick was brilliantly pushed over by Kramer, who also saved Hodge's effort. But still, Baffins kept driving forward and Wellham, Allen and Welch all went close. Their day was summed up when they, eventually, had the ball in the net, only to be denied by the offside flag and it was no real surprise when, on 84m, Rec made it three, when BAILEY ROWE showed good control in front of goal, after more skills from Rec star man, Broadley.

FT 3-1.

HAMWORTHY RECREATION FC – HISTORY

Hamworthy Recreation Football Club was formed in 1948 as Hamworthy Engineering FC and played on the Sports Ground opposite the factory at Fleetsbridge in Poole (where the Tesco supermarket now stands). When the site at Fleetsbridge was sold to Tesco in the late 1980's the football, along with the Sports & Social Club, moved to its current home at Magna Road.

At that time 'Hamworthy Engineering FC' were playing in the Bournemouth League (Division 1). The Club won the Bournemouth Senior Cup in the 1988-89 season, and after winning the Division One Championship in 1990/91 'The Rec' successfully applied to join the Dorset Combination League for season 92/93 when they finished 3rd. Success soon followed when the Club won a hatrick of Combination League Championships in 1993-94, 1994-95 and 1995-96.

'The Rec' have lifted the League Championship Trophy on another nine occasions, 2000/01, 2001/02, 2004/05, 2009/10, 2010/11, 2014/15, 2017/18, 2018/19 and 2021/22. The Club have won the League Cup on six occasions - 2000/01, 2006/07, 2007/08, 2013/14, 2014/15 and 2021/22.

'The Rec' consider that their greatest achievement was in 1995, when not only did they win the League Championship, but also won the Dorset Senior Cup, defeating Weymouth Football Club from the Southern League by 3 goals to nil at Magna Road in the Semi-Final, and Poole Town FC, another Southern League team, 4 - 1 in the Final.

HAMWORTHY RECREATION FC HISTORY – CONTINUED

The 2001-01 season saw the Club change its name to Hamworthy Recreation FC to reflect the name of their current headquarters. Our proud boast – we've never finished below 6th since Ham Eng joined the Combination in 1992/93.

When the Club won promotion to the Wessex League the Reserves moved to The Hampshire Development League, winning Div 1 at the first attempt and finishing a commendable mid table in 2022/23 having been promoted to the Premier Division. For the 2023/24 season they applied for, and were granted, a place in the Dorset Premier League, in which the Club has such a rich history.

During 2022 and 2023, with funding support from the Football Foundation and local sponsors' we managed to get the ground upgraded to have floodlights and a 100 Seat Stand and so have progressed to the Wessex Premier League. We have a Reserve Team, both as a feeder team from our Under 18's and upwards towards our First team.

We now have the following teams and Leagues:

First Team in the Premier League of the Wessex League

Reserves in the Dorset Premier League

Under 18 Team who play in the Dorset Football League U18s Division 1

There has been a change of name for our home venue. On 3rd August 2026, The Hamworthy Club changed its name to Canford Magna Complex but we remain as Hamworthy Recreation FC for all three teams.

You will continue to receive a warm welcome with us.
